UTILITOOL AUTOMATIC LITHIUM BATTERY POWERED RAIL DRILL

PART NUMBER: URD-A-LB

Automatic Intelligent Lithium Battery Rail Drill
developed for the Australian Rail Industry.

URD-A-LB

Tool & Accessories:

Drill Unit & Power:

- Automatic Rail Drill X 1
- Standard track clamp X 1
- 36V 12Ah Lithium Battery X 1
- Rapid Lithium Charger X 1
- HDPE Case W. Track Wheels X 1

Accessories & Operational Tools:

- Instruction Manual X 1
- 6mm Allen Key X 1
- 5mm Allen Key X 1
- Swarf Brush X 1
- SSD-12 Connector X 1
- Cylindrical Track Clamp Foot X 1
- Teethed Track lamp Foot X 1

Application:

- Suitable for all Australian rail specifications. Light Rail, Heavy Rail, Crane Rail, Girder Rail w. custom rail template fabrication. Available fast & economically priced.

Key Features:

- **One Button X One Hole** – Fully automated operation. Power the unit on & complete a web hole w. one button press.
