Features

- Constructed from sturdy 304-grade stainless steel for lasting durability
- Capable of handling weights up to 150kg, providing reliable support
- Designed to meet the size requirements of AS1428.1 for public wheelchair-accessible showers
- Horizontal rail can be cut down to any length during installation
- The T bar bracket allows the vertical to slide along the horizontal to be offset at any position during installation
- 3 function handset
- Strong and durable, satin-smooth hose

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
