Lead Free

Features

- Three-way functionality for both standard and filtered water.
- Constructed from low-lead DZR brass for durability and safety.
- Dual water flow options with separate levers for added convenience.
- Neoperl aerator ensures optimal water flow.
- Soft nylon PEX flexible hose allows easy installation and flexibility.
- Available in 6 premium finishes.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
