Warranty

Features

- Constructed from high-quality 304 stainless steel for durability and corrosion resistance.
- 240V powered for efficient heating.
- 7-bar design for optimal towel warmth and drying.
- Available in 7 premium finishes to complements any bathroom decor.
- IP55 waterproof rating for safe use in wet areas.
- Can be installed either surface-mounted or recessed (concealed) for flexible installation.
- Power cable can be connected from either the left or right side for added installation flexibility.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
