*Dimensions are nominal measurements only.

General Instructions

- This basket waste is designed for kitchen sinks and is compatible with standard G2" pipe fittings.

Maintenance and Care

- Clean the basket waste with a soft, damp cloth. Avoid using abrasive cleaners, which can damage the finish.
- Regularly remove and clean the strainer to prevent blockages.
- Keep the drain dry when not in use to prevent corrosion.

NOTE: Ensure the sink thickness is less than 30mm before installation.
