MATTHEWS PACKAGING & HYGIENE

AUTOMOTIVE

HYGIENE & CLEANING

PPE & SAFETY GEAR

WORKSHOP CONSUMABLES

Hygiene & Cleaning

Cleaning Chemicals

Commercial vehicle cleaner with heavy-duty formula and high-performance rubber tyre restorer.

Microfibre Cloths

Used for wet and dry surfaces. Static attracts the smallest dust and dirt particles for efficient cleaning.

Centre Feed Paper Towels

Soft and absorbent for heavy duty cleaning. Ideal for hand drying or quick clean ups.

Soap Dispensers

Great for lotions, liquid soaps, gels, and haircare products. Eliminates bathroom clutter.

Window Washers

Telescopic water brushes with all-purpose, non-scratch bristles and a built-in squeegee blade.

Hand Hygiene

A powerful, heavy duty pumice hand soap designed to remove tough grease, oil, and dirt.

Rags

Soft, absorbent, and durable, Matthews rags are perfect for tackling a variety of tasks. Available in various fabrics.

Automotive Sponges

Designed to lift dirt and grime without scratching or damaging surfaces.

PPE & Safety Gear

Diamond Nitrile Gloves

Premium snag and ultimate puncture resistance in dirty, greasy, industrial work environments.

Gumboots

Hard wearing flexible PVC with a steel midsole and safety toe to prevent penetration.

Hi Visibility Vests

Made of lightweight polyester, strong, and easily washable. AS/NZS 4602.1:2011 safety standards.

Coveralls

Breathable, anti-static fabric allows moisture vapour for added comfort. Features a gusseted hood & full body zipper.

Earmuffs

Certified to the highest level of Class 5 protection, full compliance under AS/NZS 1270. Various choices are available.

Safety Goggles

Offers clear durable impact resistant vision while the PVC frame ensures a flexible secure fit.

Face Masks

Providing effective protection by preventing inhalation of harmful airborne particles.

Earplugs

Noise-canceling solution for the workplace. Complies with AS/NZS 1270: 2002 Australian/New Zealand standards.

Workshop Consumables

Masking Tapes

High-strength rubber adhesive that can be removed cleanly from surfaces. Available in a range of widths.

Stretch Films

High elasticity allows for stretching to desired tension, conforming to the shape of your products for a secure wrap.

Cutter Knives

ABS plastic body with comfort rubber handle grip. Various knife options available.

Strapping Bands

Strong, flexible, and lightweight material for easy, economical palletising or carton bundling.

Sponge & Scouring Pads

Strong and effective. Designed for tough cleaning jobs. Great for removing grease and dirt.

Insulation Tapes

Constructed of high-tensile strength PVC for general electrical use. Cold and sunlight resistant.

Floor Marking Tapes

Heavy-duty, made of coloured PVC film with a high-strength tack adhesive and a premium tensile strength.

Solvent Dry Wipes

For heavy-duty cleaning tasks, offers high absorbency and durability without the need for added solvents.

Bin Liners

Combining puncture strength and flexibility to provide reliable, economical protection against leaks and odours.

Toilet Rolls

Soft and absorbent tissue, designed for busy environments. Available in various sizes, packaging, and thickness.
