- 200 wipers per roll
- 36 rolls per case

AIR FRESHENERS

Oxygen-Pro®

OXYGEN-PRO PROGRAMMABLE AIR FRESHNESS SYSTEM

Oxy-Gen Powered guarantees the delivery of fragrance in the air continuously, consistently and accurately for the entire duration of the cartridge life. This precise technology is based on a fuel cell technology that is used in the pharmaceutical industry to deliver drugs to human beings and animals.

OXYGEN-PRO Cartridges

- The Oxygen-Pro cartridges are available in a wide range of fragrances and are compliant with CARB, EU, IFRA and REACH regulations
- The cartridge contains 35ml of pure fragrance oil, that is approximately 7 times more fragrance oil than a standard can
- The fragrance intensity can be changed to a strong (30 days), normal (60 days) or (90 days) mild scent
- **Effective fragrant odour control** – All cartridges contain Neutra-lox, our proprietary odour eliminator ingredient that is extremely effective against the smell of urine, faeces, body odour, tobacco, pet malodour, mould and mildew, etc
- **Safe** – With no added solvents and no alcohols, cartridges contain 100% pure fragrance oil and are not pressurised aerosols
- **Eco-friendly** – Unlike aerosols, the Oxygen-Pro system does not contain any CFCs, has no added VOC's or propellants, no 'spray and fade effect' and 'no noise'. A fresh, constant level of fragrance is released continuously, consistently and discreetly. The cartridges can be safely disposed of in a plastic recycling bin at the end of the cartridge life

OXYGEN-PRO GRANDE CARTRIDGES

OXYGEN-PRO Grande Cartridges

- Sold individually or a carton of 6

Oxy-NeutraLox – An exotic mix of pineapple, tropical fruits and coconut.

Oxy-Crush – An exotic mix of pineapple, tropical fruits and coconut. Intensity Level 4 ●●●●○

FUSE DILUTION ON DEMAND

CLEANING CHEMICALS

FUSE (Dilution On Demand), is an innovative, high-longevity dispenser system for concentrated liquid hygiene products, exclusively distributed in New Zealand by Pacific Hygiene.

It works via a trigger-bottle system that incorporates a dispenser unit utilising small cartridges of concentrated product, and dilutes it within the durable sprayer head itself. This elimates safety issues and the inconvenience of mixing and storage.

A huge benefit of using this system and products is waste reduction. Although this trigger bottle system is intended to provide efficiency and safety of your facility, it was designed for sustainability as well, which means you can be sure that you are taking a very significant step toward plastic waste reduction.

0.1% Daily Bleach Concentrate

Code: FUSE-1

- Dispenses Sodium Hypochlorite at a 0.1% W/W solution. Used to sanitise general surfaces.

0.5% Daily Bleach Concentrate

Code: FUSE-5

- Dispenses Sodium Hypochlorite at a 0.5% W/W solution. Use to sanitise bathroom and toiletsurfaces, chanage mats or tables.

Multi-Surface Cleaner Concentrate

Code: FUSE-MSC

- Mild pH general multi-purpose cleaner for a wide range of hard surfaces, such as polished floors, walls, benches and most surfaces.

Glass Cleaner Concentrate

Code: FUSE-GC

- Effective for commercial and domestic glass, mirrors tiles and chrome cleaning
- Quick drying and streak free

ISOPRO3 3-in-1 Cleaner, Sanitiser and Protectant Concentrate

Code: FUSE-ISP3

- This water-based formulation redefines protection against bacteria and germs on various surfaces in domestic, commercial, and industrial applications.

BioProtect Multi-purpose Cleaner Concentrate

Code: FUSE-BPMPM

- Ideal for floors, kitchens, and bathrooms, this non-slip formula removes organic build-up from all surfaces
- Eco-friendly and non-corrosive.

Spray Head and Water Bottle Cartridge

Code: FUSE-TRIGBOT

- This innovative system incorporates a dispenser unit that utilises small cartridges of concentrated products, eliminating safety concerns and the inconvenience of mixing and storage.

BIOPROTECT HYGIENE and CLEANING SOLUTIONS

BIOPROTECT F.O.G ELIMINATOR (FATS, OIL AND GREASE)

Keeps drains clear and odour free. Control the build-up of fats, oils and grease. Reduces total suspended solids and organic nutrients in wastewater. Industrial strength floor, kitchen and bathroom cleaner. Remove organic build-up from all surfaces. Superior floor cleaner, non-slip formula. Eco-friendly, non-hazardous and non-corrosive.

BIOPROTECT Fog Eliminator

Code: BPFE0005

KITCHEN TIDY LINERS

The core range of Rubbish Bags includes a new proprietary formulation providing exceptional stretch and strength. The bags are tougher and more tear resistant. The range of bags are also star sealed at the base providing greater assurance with heavy loads. Our Kitchen Tidy liners are manufactured with a pleasant peach fragrance, perfect for kitchen and food waste.

URINAL HYGIENE

URINAL SCREENS

FAB 30 – 30 day fragrance screens. Innovative flexible design fits any urinal, while the transparent screen discretely protects the drain by trapping debris. The FAB 30 screens have high-quality fragrances for a fresh smelling washroom. Designed to prevent splash-back on high urinals.

Neutra-lox malodour eliminator, a proprietary odour neutralising agent eliminates bad odours, instead of masking them. The unique formulation of Fab 30 leaves only fresh scent in the air that lasts up to 30 days.

Urinal Screen —Vibe

Code: FAB30-VIBE

- 24 screens per case
- Also sold individually

Urinal Screen —Zing

Code: FAB30-ZING

- 24 screens per case
- Also sold individually

Urinal Screen —Zest

Code: FAB30-ZEST

- 24 screens per case
- Also sold individually

Urinal Screen —Tang

Code: FAB30-TANG

- 24 screens per case
- Also sold individually

URINAL TABLETS

Cleans and deodorises with BioProtect

Urinal Tab's with BIOPROTECT

Code: BPUT003

- Approximately 60 tabs in a 3kg bucket
- Dissolves uric acid and fatty residue build up in pipes
- Prevents pipe smells and odours
- Reduces need for deep cleans

NO Quibbles! Our pledge to you.

PACIFIC HYGIENE
LEADERS IN HEALTH AND HYGIENE

CUSTOMER EXPERIENCE

At Pacific Hygiene, our top priority is ensuring an unparalleled customer experience. With a keen focus on continuous improvement, we take every opportunity to optimise and refine our operations. Any glitches, be they order inaccuracies or product flaws, serve as stepping stones to bettering our services. We deeply value the faith our customers place in us and strive to fortify that trust by swiftly resolving any concerns raised.

QUALITY ASSURED

We go above and beyond to ensure our dispensers perform to their utmost capabilities. If an issue is reported, our diligent team springs into action, thoroughly investigating and promptly delivering a replacement, entirely at our expense. We're committed to maintaining an impeccable standard of product quality, fostering robust trust with our customers.

PARTNER RELATIONSHIP

Our partnerships with distribution allies are equally valued. Should they report any customer complaints, we quickly step in, rectifiying the situation, and offering compensation without a second thought. This proactive approach allows our partners to focus on what they do best, knowing they can always rely on us to handle and arising issues with utmost care.

TRUST AND RELIABILITY

Ultimately, we aim to convey a message of trust and reliability to our partners. Standing by our products, we assume full responsibility for any mishaps, eliminating the need for further explanations. We don't just sell products – we provide solutions, ensuring satisfaction and peace of mind at every step of the way.

This is our NO Quibbles Guarantee!
