

G7 ENVIRO VANILLA LIQUID HAND SOAP

TECHNICAL DATA SHEET

DESCRIPTION:

Green Rhino® Enviro Vanilla Liquid Hand Soap is a biodegradable and gentle liquid hand cleanser that removes dirt and grime from hands and leaves the skin soft. It can be used with most liquid soap dispensers. Ideal for use in offices, public toilets and areas that require frequent hand washing.

DIRECTIONS:

Can be used with most liquid hand soap dispensers.

Wet hands. Apply a small quantity directly onto hands. Rub hands together to form a smooth lather and scrub for at least 20 seconds. Rinse hands well and dry.

All toiletry products have an effect on the environment. Always use the correct dose for maximum efficiency and minimal environmental impact.

APPLICATIONS:

For hand washing. Can be used with liquid hand soap dispensers.

PROPERTIES:

Thick liquid with vanilla scent and neutral pH.

APPROVAL:

Eco Choice Aotearoa Licenced (Personal Care Licence No. 2918150)

Hand Cleaning

Available Sizes:

GRG7-5

WARNING: Moderately toxic can result in nausea, vomiting and abdominal pain. Moderate to strong eye irritant. Prolonged contact to skin will have a degreasing effect.

FIRST AID:

EYE:	Flush with cold water for at least 15 minutes. Seek medical attention if problems persists.
SKIN:	Flush with plenty of water until no evidence of product remains.
INGESTION:	Do not induce vomiting. Give nothing by mouth. If patient continues to be distressed, seek medical attention immediately.
INHALATION:	Remove to fresh air. If breathing is difficult, seek medical attention immediately.

OUR VISION AND MISSION:

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY:

Green Rhino is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

DISCLAIMER:

The technical data and information provided, including the recommendations for applying & using our products, is given in good faith based on our current knowledge and experience and is believed to be accurate when applied under 'normal' conditions. In practice, the materials, surfaces or conditions are so varied that no warranty regarding the working results or any liability or guarantee can be inferred either from this information nor from a verbal consultation. It is recommended that the user makes his or her own tests to determine the suitability of the product for their own requirements.
