SUPREM FORM, REGULAR PLUS

The Suprem Form Regular Plus is designed to offer reliable protection for individuals managing moderate urinary incontinence. Its anatomical shape and discreet design ensure a comfortable and secure fit, providing users with confidence and peace of mind throughout the day. The product features a highly absorbent core that quickly locks away moisture, keeping the skin dry and minimising the risk of leaks and odours. Its advanced leakage barriers provide extra security, offering protection against leaks even during active moments. The breathable outer layer promotes airflow, maintaining skin health and reducing the risk of irritation.
