

SUPREM FIT, MAXI, XLARGE

The Suprem Fit Maxi in XLarge size offers exceptional protection and comfort for managing moderate to heavy urinary and fecal incontinence. Crafted with advanced technology and superior materials, it ensures reliable defense against leaks and accidents, allowing users to go about their daily activities confidently. The high-absorbency core quickly locks away moisture and neutralises odours, keeping the skin dry and comfortable for extended periods. Leakage barriers provide added security, preventing leaks and reducing the risk of skin irritation. The breathable outer layer promotes airflow and maintains skin health, while the elasticated waistband ensures a snug and comfortable fit, enabling users to move freely without restriction.
