

GANMILL FIX, XXLARGE

The Ganmill Fix in XXLarge size is made to securely hold incontinence pads and other absorbent products. Specifically designed for larger individuals, it offers reliable support, keeping pads in place day and night. Made from stretchy and breathable material, the Ganmill Fix XXLarge fits the body's contours while allowing air to circulate, keeping the skin healthy and comfortable. Its soft waistband and leg cuffs ensure a gentle yet snug fit, reducing the risk of leaks and allowing freedom of movement.
