

GANMILL PANTY, XLARGE

The Ganmill Panty in XLarge size is designed to provide discreet and dependable protection for individuals managing incontinence. Resembling regular underwear, these panties offer a comfortable and secure fit, ensuring confidence and comfort throughout the day. The soft and breathable fabric is gentle on the skin, reducing the risk of irritation or discomfort. With a snug yet flexible waistband and leg cuffs, the Ganmill Panty XLarge stays securely in place without feeling restrictive, allowing for freedom of movement.
