# SUPREM LIGHT, SUPER

The Suprem Light Super is expertly designed to provide optimal protection for individuals managing heavy urinary incontinence. With its high absorbency and ultra-thin construction, this product offers maximum comfort and discretion without compromising on performance. The absorbent core rapidly locks away moisture, keeping the skin dry and minimising the risk of leaks and odours. Its breathable outer layer promotes airflow, enhancing skin health and reducing the likelihood of irritation. The anatomical shape and adhesive strip ensure a secure and comfortable fit, allowing for freedom of movement throughout the day.
