

S Range features include:

- Quality lever door handles available in satin chrome and black finishes
- Non-twist positioning lugs make installation faster and means bases stay straight
- Unique through door interlocking system improves strength and makes installation easier
- Quicker privacy set installation due to a new cam release mechanism

- Extra fixing points to secure the handle to the door
- Manufactured to grade 3 standard
- Non handed and suitable for door widths from 32 to 45mm
- Comes standard with round rosette
- Also available in square rosette with matching dead bolt (sold separately)
- To fit 54mm hole
- 65mm rose
