

DESCRIPTION

Neutral Detergent is a PH neutral heavy duty hard surface cleaner formulated for the removal of grease and soils.

Its neutral formulation will not strip or dull floors yet will leave it clean.

Neutral Detergent won't dull surfaces and if diluted correctly will not streak.

Has a long lasting pleasant fragrance with in some cases will negate the use of an airfreshener

DIRECTIONS OF USE

Hard Surfaces: Lightly Soiled

Dilute 40:1. Using a spray bottle apply a small amount of solution to the surfaces then wipe off.

Hard Surfaces: Heavily Soiled

Dilute: 20:1. Using a spray bottle apply a small amount of solution to the surfaces then wipe off.

Floors: Lightly Soiled

Dilute 80:1. Dilute through a dispenser. Apply using a microfibre flat mop or bucket and mop. Allow to dry

Floors: Heavily Soiled

Dilute 40:1. Dilute through a dispenser. Apply using a microfibre flat mop or bucket and mop. Allow to dry

FEATURES AND BENEFITS

- Readily Biodegradable
- Neutral when diluted to solutions
- Will not streak when diluted properly
- Excellent for polished surfaces
- Long lasting fragrance
- Able to be diluted - great economy
