# DISH WASHING LIQUID

## DESCRIPTION

Dish Wash has been formulated to give superior results.

Dish Wash handles tough jobs such as heavily soiled pots and pans and greasy dishes.

Dish Wash has a long lasting pleasant Lemon fragrance.

## DIRECTIONS OF USE

Put between 10 – 20 mls of Dish Wash per 10 litres of warm to hot water.

Drain the sink if it becomes visibly soiled and refill.

This is more economical than adding more detergent.

In larger establishments a manual dispenser may be used for greater economy

## FEATURES AND BENEFITS

- Readily Biodegradable
- Long lasting perfume
- Excellent in removing soil and grease
- Foams for soil suspension
- Able to be diluted - great economy

## FIRST AID & SAFETY INFORMATION
