

## **LEMON LAUNDRY POWDER**

**LEMON LAUNDRY POWDER** is a laundry powder manufactured by the dry neutralise method - a modern technology developed to ensure product consistency and uniform distribution of all active ingredients through the product mix.

**LEMON LAUNDRY POWDER** is of the domestic style - highly active in concentrated cleaning power yet safe to use in all domestic washing machines and on any garments where detergent powders are preferred. Suitable for use in all water conditions **LEMON LAUNDRY POWDER** accommodates both soft and very hard waters. **LEMON LAUNDRY POWDER** is versatile and may be used in either hot or cold water, however, optimum results are always obtained in warmer conditions.

### **DIRECTIONS**

Usage instructions are printed on the bag and as a rule of thumb, a  $\frac{1}{2}$  cup of powder will be sufficient for a normal wash in an average domestic washing machine.

**LEMON LAUNDRY POWDER** guarantees a brighter / whiter wash and a real cost saving.

### **ECONOMY ----- VALUE ----- RESULTS**
