

Multi Cloth

SOFT AND SAFE

Swiftly removes dirt and leaves surfaces fresh and hygienic.

SORB-X WIPER RANGE

EXTENDED USE

Multi Cloth

SOFT AND SAFE

A fast, absorbent and effective wiper, Sorb-x Multi Cloth cuts down cleaning time. Manufactured with entrapment holes in the fabric, dirt particles are captured within the wiper as it works.

Soft on surfaces and firm enough to shift dirt. This wiper leaves tables and counter tops clean and hygienic in just a few swipes.

Due to the suppleness of this wiper, it can be used on any delicate surface.

Features

- Soft, non abrasive cloth
- Entrapment hold for superior soil removal
- Low linting
- Reusable

Users

- Health
- Hospitality
- Food Processors
