

Reliable Backup Power for Your Vaccines

Keep vaccines safe.
Anytime. Anywhere.

ANKER SOLIX FM2600 CUSTOMER SET-UP GUIDE

Reliable Backup Power
for Your Vaccines

**5 YEARS
WARRANTY**

**10 YEARS
BATTERY LIFESPAN**

1 Download Anker App

Scan the QR code or search **Anker** in your app store. Download and install the **Anker app**.

GET IT ON
Google Play

2 Create Account and Add Device

Open the Anker app and create an account (or log in). Create an account and add your FM2600. Follow the on-screen instructions.

3 Connect to Wi-Fi

- 1 Hold your phone next to the FM2600.
- 2 Press and hold the Wi-Fi button for 2 seconds until the blue light starts flashing.
- 3 Follow the on-screen instructions to connect the FM2600 to your 2.4GHz Wi-Fi network.

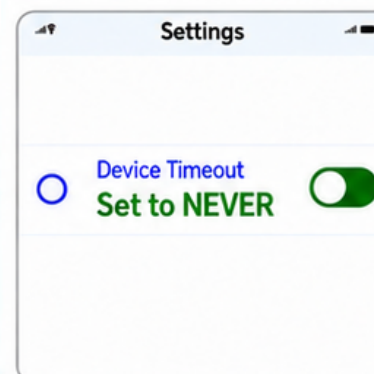

4 Upgrade Firmware

Once connected, check for and install the latest firmware update.

5 Set the Settings

In the app, go to **Settings** and adjust the following:

6 Key Buttons on the FM2600

7 Connect Your Vaccine Fridge

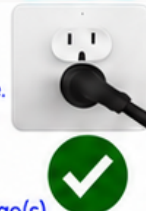

Plug your vaccine fridge(s) into any of the **3 x 10A AC outlets on the FM2600**. (All 3 outlets support UPS mode - backup power.)

8 Simulated Blackout Test

Once everything is set up, turn off the mains power at the wall outlet to simulate a power outage. Check your fridge(s) are running on battery. Then turn the AC power back on.

Confirm your fridge(s) continue to run from the FM2600.

FM2600 Dimensions

3 x 10 AMP OUTLETS
(ALL 3 OUTLETS SUPPORT UPS MODE FOR VACCINE FRIDGES)
