1420 Symphony Series Square Rose Door Handles

Lockwood Symphony Series door furniture is manufactured from high quality solid brass material. The comprehensive lever range matched with concealed screw fixings by way of threaded rose trims, provides a stylish look for the most elegant interiors.

The accessory range includes cylinder escutcheons, emergency turnknobs and disabled accessible turnknobs. For installers, the unique turn mechanism adjusts to suit the thickness of the door and removes the need to cut tailbars to length.

A full range of finishes from satin chrome through to a range of brass finishes and polyester powder coat provides all the options for matching to interior designs.

Proudly Australian Made at our factory in Oakleigh to the highest quality standards for strength, durability and corrosion resistance.
