

Neue Contour Dummy Trim Lever in Satin Chrome

1920CONSC

Satin Chrome

Bright Chrome

Matte Black

The silver finish of satin chrome offers versatility and a modern touch without being pretentious, making it a popular choice for a contemporary design.

The Contour lever, with its modern, geometric design is well suited to a range of architecture styles. The versatile lever includes a 65mm stepped round rosette, a dual sprung latch, and is available in two modern finishes. The non-operational dummy lever suits wardrobe or closet doors. The Gainsborough Neue range is simple to install.

About the collection

The Neue range represents Gainsborough's mid-range offering. With designer detailing and finishes, the Neue series creates a long lasting, contemporary style for every home. Match Neue finishes with the Gainsborough Trilock series to easily create a consistent look from the front door to the back.
