

2024 Series Door Closer

The Lockwood range of economy door closers is particularly quick and easy to install on most applications, ideally suitable where cost is a high priority. Multi position mounting template enables adjustment on site to meet most conditions also low stock holding as one model will cover 3 power sizes. Suitable for doors up to 1100 mm in width.

All products include parallel arm bracket; multi strength mounting (one model covers size 2, 3 and 4) ; parallel arm size 2 and 3.

Power Selection

The power of the door closer is altered by adjusting the position of the door closer body on the mounting template.
