

Symmetry® Series - Accessories

Single and Double Cylinder Deadbolt

Part Numbers	Function
7106	Single Cylinder
7107	Double Cylinder

Recommended to be used in conjunction with all Symmetry knob and lever styles. Single Cylinder – key operation from outside and a turn knob from the inside. Double Cylinder – key operation from outside and inside.

Note: For added security a deadbolt should be fitted in addition to the handle set. Refer to Lockwood Deadbolts Catalogue for range and part number information.
