

Cavity Sliding Door Locks

Lockwood's sliding door lock range is possibly the most innovative and aesthetically pleasing lock for a cavity sliding door in Australia. Combining elegance and ease of use, the Lockwood Cavity Sliding Door Lock range is ideal for any home décor and security solution.

Not only will the internal bathroom or lounge room sliding door have a contemporary look, but the interconnecting door from the garage to the laundry can be fitted with a key lockable entrance-set for security.

Features and Specifications

- Fitted flush against the panel of the sliding door for full recess into the door cavity
- Entrance, Privacy, Passage and Passage Latch models available for the complete residential solution

Retractable door pull

Designed after extensive research, the sliding cavity door lock features an innovative retractable door pull which combines style with functionality.

Key lockable solution

The key lockable Entrance Set model protects sliding perimeter doors with the added confidence of Australian Standard compliance for AS4145.2-2008: Tested to exceed 30,000 turn cycles withstanding 3 kN of pull force.
