

SPECIFICATION

6899 "Zugo Collection", manufactured in Satin Stainless Steel finish.

For heavy use products a black heat treated bracket on the 6899 series is used to take a load of 20kgs. E.g. 6899-14 Towel rail.

For all lighter products a zinc plate bracket is used. E.g. the 6899-27 Soap Dispenser.

INSTALLATION

All Premium Product series are mounted on the surface of a wall. Simple and easy installation of all products.

Stainless Steel screws supplied. *note:- It is the responsibility of the installer to ensure correct fixings for the application to be used. The screws supplied may not be suitable for particular applications.

1. Use **Bracket** as template to locate appropriate drilling centres with pencil.
2. Use 6mm drilling bit to drill holes in your marked locations, when mounting on drywall, insert **Plastic Anchors**.
3. Attach **Bracket** to wall with **Wall Screws**.
4. Locate the **Main Part** on the **Bracket** and secure with **Set Screw**.

WARRANTY

One year
