JDMTRACK-S2000	Straight	2000mm	Yes	White

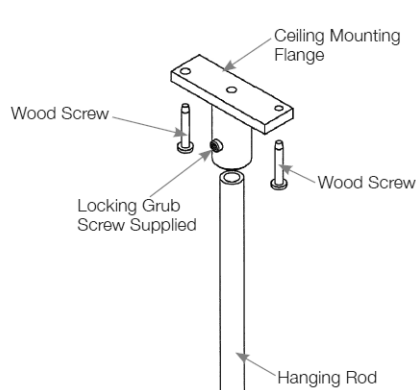

OPTIONS

ASI JD MacDonald curtains to suit track lengths are available in Box Stripe Polyester or Nylon Taffeta. (See JDMCURT specification sheet).

Shower Curtain Tracks shall be Model No. JDMTRACK-XXXX as supplied by ASI JD MacDonald.

WARRANTY

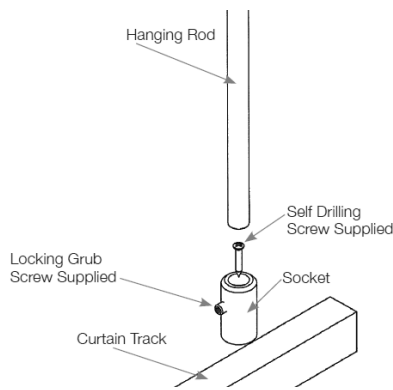

One year.

CEILING SUPPORT – Ceiling Mount

STEP 1: Fasten the Ceiling Mounting Flange to the ceiling with screws.

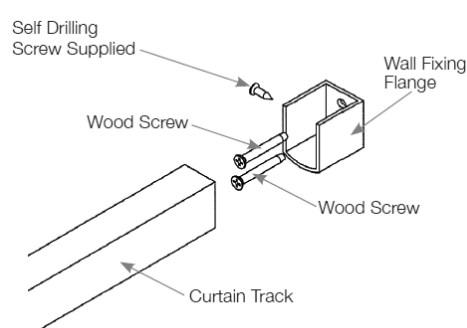

STEP 2: Insert the Hanging Rod and tighten Locking Grub Screw.

CEILING SUPPORT – Track Mount

STEP 1: Fasten the Socket to the Curtain Track using the Self Drilling Screw.

STEP 2: Insert the Hanging Rod and tighten Locking Grub Screw.

WALL FIXING FLANGE

STEP 1: Fasten the Ceiling Mounting Flange to the ceiling with screws.

STEP 2: Insert the Hanging Road and tighten Locking Grub Screw.

NOTES:

- The Hanging Rod can be cut to length before inserting.
- 4 x Self Drilling Metal Screws are supplied; 1 for attaching the socket to the Curtain Track, 2 to secure the Track in the Wall Fixing Flanges and 1 spare.
- Screws are not supplied for the Ceiling Mounting Flange or the Wall Fixing Flange due to the unknown nature of the wall or ceiling substrate or construction ie: timber, steel, tile, gyprock etc. – all which require differing fastening methods.
