700 Series

Door furniture

The Legge commercial range of door furniture has been designed for use on commercial applications, including interior and exterior doors for retail, educational, governmental, medical, and public buildings.

Legge commercial furniture should be specified where heavy duty durable door furniture is essential.

Features

- Constructed of commercial grade quality components, with **forged brass levers and plates**
- Heavy duty spring provides a smooth, positive return action of the lever and eliminates droop extending the life of the product
- Furniture re-handed by simple relocation of lever using the screw stop block prior to installation
- Anti-vandal option available
- Anti-ligature option available
- Suitable for use on fire door assemblies when used with fire rated locks and latches

Testing and Compliance

Fire Rating:
Successfully tested on fire door assemblies in accordance with AS1905 Part1: Fire resistance doorsets. Check with fire door manufacturer prior to installation.

Accessibility:
Compliant to the AS 1428:1-2009 Design for Access and Mobility

Caution:
When door closers are installed and adjusted to meet reduced opening force requirements, there may be insufficient power to reliably close and latch the door, depending on prevailing operating conditions.

Note:
In areas of high wind pressure and/or air conditioning pressures, the LCN Automatic Door Operators are recommended.
