- Satin Stainless Steel

Installation Guidelines

- *May be subject to Australian Building Code Regulations for able bodied and/or disabled use. Security Screws are supplied.*

1. Create wall opening to dimensions noted.
129mm H x 129mm W x 197mm D

2. On the perimeter of the holder, place a suitable amount of an adhesive or high strength bonding agent.

3. Place the unit into the wall opening. Level the unit and push firmly so that it sits flush with outer wall section.

4. Firmly screw the holder into place and leave the adhesive to set for 24 hours before using.

- **Note:** Apply ample silicone around the fixings to avoid water ingress.
