# Velocity® Series Small Rose Door Handles

The Velocity 55mm Series is a stylish range of door furniture suitable for both residential and semi commercial applications. Designed primarily for new installation on timber doors, the range incorporates functionality for use with Mortice Locks in addition to Passage, Privacy and Dummy Levers.

Installation
Suits door preparations up to 45mm.
❶ **Align**   ❷ **Twist**   ❸ **Tighten**

Features and Specifications

- All fixings are concealed beneath a removable rose trim providing an aesthetically appealing installation.

- Simple twist and tighten fixing method and pre-assembled lever sets allow for super easy and fast installation.

- Lever range includes two AS1428.1 compliant levers and six designer levers.

- Accessories include AS1428.1 compliant turn, standard turn and privacy indicating emergency turns.

- The 55mm rose suits up to 45mm door preparations commonly used with mortice locks or latches.

- Designed in Australia for the specific needs of the Australian market.

Product Details

Rose Dimensions	55mm by 12.5mm - Round Rose 58mm by 12.5mm - Square Rose
Materials	All Velocity 55mm levers and roses are made from solid zinc die-cast.
Latches	Passage sets are available with a 60mm backset tubular latch. Privacy sets are supplied with a 60mm backset privacy latch which includes a locking pin for the inside of the door and an external emergency release function. The latch is automatically released when the internal handle is operated and is easily adapted for both open in and open out applications. All latches are supplied with industry standard "D" strikes.
Door Thickness	32mm to 45mm hinged doors
Finishes	Satin Chrome Brushed (**SC**) Chrome Plate (**CP**) Satin Pearl **(SP)** Display Pack Range Only
