

# Assure Lock® SL

Tired of fumbling around for your keys? Imagine a lock that automatically unlocks as you approach. With the Yale Assure Lock SL, seamless entry is your key.

Adding the Yale Connect Plus Hub 2\* to your Assure Lock® SL allows you to access your lock remotely. Lock and unlock, change PIN codes and lock settings remotely. The Connect Plus Hub 2\* allows you to work with Amazon Alexa, Hey Google and more.

## Works with your Smart Home

The Assure Lock SL can be upgraded with a Yale Module (Z-Wave Plus and ZigBee\*\*) to integrate into most home automation systems so that you can control and monitor the lock from anywhere in the world.

\*Yale Connect Plus Hub 2 sold separately

\*\*Modules are sold separately
