

Maintenance Compound: Sumitomo Chemical Australia, MC0004321

I refer to your notification and renewal application dated 21 August 2026.

Your application relates to:

Renewal of your Maintenance Compound and update of operator email.

The changes have been accepted and the approval has been renewed under Regulation 247 of the Animal Products Regulations 2021 and Regulation 18 of the Animal Products (Regulated Control Scheme – Limited Processing Fishing Vessels) Regulations 2001, and satisfies the requirements of Regulations 12, 13, 14, 53 of the Animal Products Regulations 2021.

This approval has been effective since 21 September 2021.

This approval expires on 25 August 2031. Renewal before the end of this period is your responsibility. MPI will aim to send you a reminder email to renew your registration. Please ensure you notify MPI if your email and/or postal address changes. If you do not renew your approval, continued operation may be in breach of the Animal Products Act 1999.

Approval MPI ID number

Your unique approval MPI ID number is MC0004321.

Please always use the MPI ID number above in all your communications with MPI about this approval.

Scope and Condition(s)

Scope
