

Kitchen/Food Preparation

Amaze Premium

Premium Detergent/Sanitizer for Automatic Dishwashers

Geller® Amaze Premium Commercial high-strength economy liquid detergent formulated for use in automatic commercial dish and glasswash machines. Suitable for use with all common ware materials such as crockery, china, glass, stainless steel, plastics and kitchen utensils. Not recommended for aluminium or other soft metal-constructed kitchen items.

Directions

Inject undiluted directly into wash water at a ratio of 1.5-3mls per litre via an automatic peristaltic pump. Not recommended for manual dosing, unless in contingency commercial situations. Use in conjunction with Geller IMPACT RINSE AID for optimum performance.

MPI Approved C31 (All animal product except dairy)

Before use, all edible product and packaging material must be removed from the room. After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.

Features and Benefits

- Concentrated
- Low cost per wash
- Low foaming formula
- MPI approved
- Suitable for all Crockery
