

LEMON BRIGHT

Concentrated Laundry Powder

Description:

A highly concentrated powder suitable for commercial and domestic use, including front-loading machines. Does not contain bulk fillers. Contains powerful surfactants and optical brightening agents to enhance fabric appearance. Works well on light, medium and heavy soiling, and is suited to domestic, hotel, motel and on-premise laundry applications. Do not apply directly onto fabric without diluting. Suitable for use in hot or cold water.

Directions for use:

DOMESTIC USE: 1 scoop per normal 5kg wash. Up to 2 scoops for heavily soiled garments.

COMMERCIAL USE: Use between 7 & 14gms/kilo of laundry (scoop holds 35 gms).

*Standard laundry load is approximately 4-5kg dry-weight laundry. Ensure solution is thoroughly rinsed from garments prior to drying.

Safety Information:

If poisoning occurs contact a doctor or Poisons

- Information Centre. Phone New Zealand 0800 764 766.
- If aspirated into the lungs, remove from exposure.
