

EXCELLENT

NZFSA APPROVED C31

EXCELLENT is a revolutionary toilet and bathroom cleaner, which is non-hazardous. Phosphate free and biodegradable to AS1792-1976. The blend of acids and detergents penetrates and dissolves soils leaving the surface clean and disinfected.

EXCELLENT may be used neat or diluted depending on the task. Soap scum, body fat, iron and calcium soils are easily removed with **EXCELLENT**. **EXCELLENT** passes the Commercial Grade Disinfection Test when used neat.

PROPERTIES

- Green liquid with a light pleasant fragrance.
