

COVID-19 UPDATE

L'Atelier du Fromage is closed

We will close our doors to our café, deli and upstairs cellar indefinitely, in response to the escalation of the COVID-19 alert level from two to four.

Oui, you can shop online

While our doors are closed for now, we continue to welcome you to shop with us online. We are being guided by the New Zealand Government who have listed suppliers of food and beverage, like ourselves, as an essential business that will help to keep New Zealand running during these uncertain times.

Find us at your local supermarket

Please know that we are working hard to keep supporting our supermarkets with deliveries of French cheeses and wines.

Delivery

Please note that the delivery company we are using is now authorized to leave any parcels outside. Please provide specific delivery instructions for a contact-less delivery.

Health & Safety

The health and safety of our community is number one priority now, and our team are taking all the precautionary measures as outlined by the Ministry of Health. This includes sanitising all surfaces more frequently, and with extra care, as well as frequent handwashing and ensuring physical distance between all staff is kept to a minimum of at least two metres.

In these uncertain times, it's important we work together - let's look out for each other and be kind. Take very special care of yourselves and thank you for your support. We're all in this together.

A bientôt,

Maison Vauron, La fromagerie & l'Atelier du Fromage
