

Product Information Sheet

SHINER

Floor Maintainer

Product

- ✓ Removes marks, soil and eliminates minor scratches without affecting the floor finish
- ✓ Adds life to floor finish, extending the stripping cycle and reducing maintenance
- ✓ Stops surfaces powdering and improves anti-slip characteristics.

Total floor maintainer that leaves behind a polymer film restoring gloss depth when buffed. Can be mopped manually or maintained with auto scrubber or spray buffers. It will build a wet look gloss when actuated by standard or ultra high speed (UHS) polishing machinery. Can be used on all types of floor and is especially effective on unsealed slate, quarry tiles, marble and rubber.
