

TIDIES MULTI-FIT HANDLE HOLDERS

Need multi-fit
holders to hold
any size handle?

TIDIES MULTI-FIT HANDLE HOLDERS

Welcome to the new series of Techno Tidie Multi-Fit handle holders, where all your cleaning tools have a home. This unique, well organised storage system allows all your mops, brooms, squeegees, dusters and vacuum hoses to fit in their correct home. The Tidie Multi-Fit handle holders easily slide, steady and secure into your rail or mounted independently. They have been designed to be colour coded according to your cleaning tool application and the Multi-Fit holders secure handles from 10mm to 40mm wide.

Made from rubber and hard, strong, durable plastic, these clamps are spring loaded for secure storage. The pincers of the holder mechanism grip your tools fast, are made from hardened rubber for a tight hold and secures even slippery handles.

3 holder starter pack available
