

PRIME MOVER

TRUCKWASH & DEGREASER

▶ **RIGHT PRODUCT** ▶ **RIGHT ADVICE** ▶ **RIGHT AWAY**

DESCRIPTION

Prime Mover is a combination truckwash and degreaser which is designed to remove road grime, grease and oils from particularly dirty mine vehicles, truck cabs, trailer bodies and curtains.

APPLICATION

Prime Mover's unique blend of detergents, surfactants and degreasers has been formulated for the removal of wide variety of soils that commonly form on trucks, buses and cars. It is a step up from truckwash and has a more industrial focus. It will create a thick foam, especially when used through a foamer, that breaks the bond of the soil deposits.

DIRECTIONS FOR USE

Vehicle Washing: - Dilute at 1:20 with water in a bucket or through a foamer. Wet vehicle first then apply Prime Mover. Agitate with a sponge, brush or microfibre and rinse with water. Chamois vehicle dry for a streak free finish. Stronger dilutions may be used for heavier soiling on vehicles.

FEATURES & BENEFITS

- ▶ Concentrated
- ▶ Built in degreaser
- ▶ Free rinsing
- ▶ Can be applied through foamers
- ▶ Rapidly penetrates soil deposits
