A BETTER ANGLE on splash prevention

Ideal for:

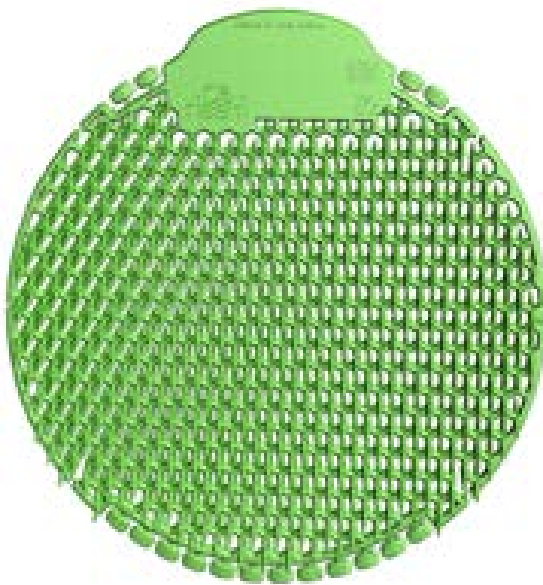

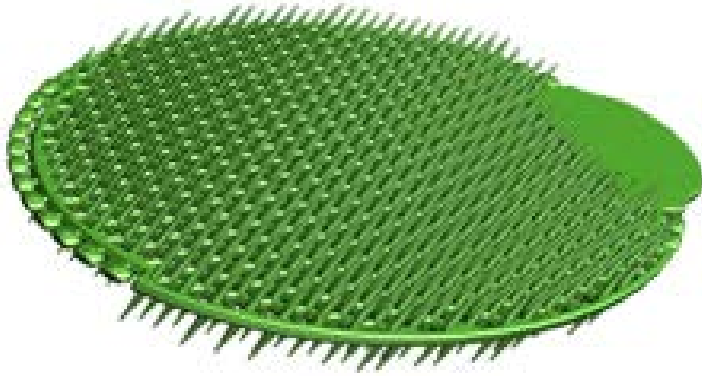

Men's Urinals in high traffic rest-rooms like, Airports, Clubs, Train Stations, Stadiums, Five Star Restaurants, Hotels, Pubs, Shopping Centres, Universities, School & Hospitals

SLANT 7 Urinal Screen

Interclean is pleased to introduce the SLANT urinal screen. This new, individually packaged, 30-day screen prevents 99% of splash back.

The SLANT screen was specifically designed with protrusion at the perfect angle, so when urine hits it, the stream is diffused and then deflected so droplets never get beyond the urinal keeping everything cleaner.

Tech Specs

- Slanted fingers eliminate 99% of splash back
- No splash on user's shoes and pants
- No lingering urine smell...even after the restroom's been cleaned
- Creates a pleasant experience and leaves a good impression of your facility
- Patented high fragrance load- Freshens strong longer
- Double sided design- both sides reduce urine splash, preventing installation errors
- Contains beneficial bacteria that consumes odors at the source- keeps urinals and drains clean and smelling fresh
- Recyclable- better for the planet
