

Express Shine

Revives paintwork and varnish

Leaves a protective dry sheen

Trigger spray

TYPE OF USE

MOTUL® Express Shine efficiently degreases the car body thanks to its active formulation without rinsing. It removes dirt and other residues without any risk for the car body. Hydrophobic effect which repels water for quick drying of car body. MOTUL® Express Shine highlights paints and leaves a bright finish. Ideal for application between two vehicle washes. No rinse needed.

PERFORMANCES

MOTUL® Express Shine removes road film and other residues without any risk for the car bodyworks. Quickly degreases and shines with a gloss finish. It revives paints and gives a deep shine without the need for water. Dries without leaving traces and leaves a shiny and dry protective film. Repels water and prevents dirt from sticking.

50% post-consumer recycled plastic bottle.

RECOMMENDATIONS

Shake product before use.

Spray MOTUL® Express Shine on clean and cold surfaces 7-8 inch (20 cm) away from the surface to be treated.

Wipe off in circular movements with the specially designed MOTUL® Car Body Microfibre.

Test in an inconspicuous area before initial use.

DO NOT USE under direct sunlight or on hot surfaces.

SECURITY

Refer to the MSDS sheet and information mentioned on the product label.
