WINDOW & PATIO
RANGE

Window Lock Range

Sliding Aluminium Window Locks:

- + Carbine Ventlock
- + Carbine Mini Ventlock
- + Carbine G70 Sliding Window Stop

Multi Bolt Window Lock

Multi Bolt Cable
Mini Push Lock
Sash Window Lock
Sash Screw Bolt

The Carbine Window Lock and C500 Patio Bolt ranges offer an innovative CBS wafer barrel system with C4 keyway wafer barrels, which allow you to run 5 or 6 pin C4 keys in the range with no extra drilling or modification needed.

Meaning these next-generation products allow you to have a single key for the entire house and offer a higher level of modular security for all sliding and general-use window applications. Standard LF keyway wafer barrels also suit the Carbine Window Lock range.
