Scheu has a reputation for top quality for more than 80 years. Now in its third generation, the family business supplies a wide range of products and services in the fields of orthodontics, pressure moulding techniques and dental sleep medicine. They have established themselves as thermoforming specialists in the market. They are returning to New Zealand in March 2020

Dunedin - Tuesday, 17th March

Christchurch - Wednesday, 18th March

Hamilton - Thursday, 19th March

Auckland - Friday, 20th March

Scheu 2020 Seminars - Advanced Manufacturing Techniques for Thermoforming Appliances

CPD POINTS WILL BE AVAILABLE

Matthias Schwartz qualified as a Dental Technician in Muenster, Germany in 1987 and joined Scheu- Dental in 1995. He has given lectures and held courses in Asia, Africa, the Middle East and Australasia.

Matthias is back in New Zealand and is holding seminars for anyone with an interest in thermoforming. This includes Dental Technicians, Orthodontics, Dentists and Auxiliaries.
