

# Safety Data Sheet

according to the Commission Directive 91/155/CEE and 93/112/CE

---

## 142 Wax Debubbliser

### 1. Identification of the Substance/Preparation and of the Company/Undertaking

#### 1.1. Identification of the Substance/Preparation

Wax Debubbliser - article no. 142-0000

#### 1.2. Company Identification

YETI DENTALPRODUKTE GMBH

Industriestr. 3, 78234 Engen, Germany

Tel.: 0049 - 7733 / 9410-0; Fax.: 0049 - 7733 / 9410-22

### 2. Composition / Information on Ingredients

Water, Isopropanol.

### 3. Hazards Identifications

Floor can get slippery when product is spilled.

### 4. First-Aid Measures

In case eyes get in contact with the product wash out with water for at least 15 minutes. If discomfort persists seek for medical assistance.

### 5. Fire-Fighting Measures

Non-flammable.

### 6. Accidental Release Measures

Small spills should be flushed with water. Collect larger amounts with an absorbant material and dispose according to local regulations. Floor may be slippery when wet !

### 7. Handling and Storage

#### 7.1. Handling

Avoid contact with skin or/and eyes.

#### 7.2. Storage

Store bottles upright with caps tight away from excessive heat or open flames.

### 8. Exposure Controls / Personal Protection

Respiratory protection:

Not required - ensure adequate ventilation.

Hand protection:

Use latex or any other suitable protective gloves.

Eye protection:

Use safety glasses - eyewash station

Skin protection:

Do not spray into face !

## 9. Physical and Chemical Properties

Appearance:	liquid
Colour:	lightl blue
Odour:	mild / sweet
Vapour Density:	0,6 (Air=1)
Evaporation Rate:	more than 1 (Butyl Acetate=1)
Water solubility:	soluble
Boiling point:	100°C
Melting point:	less than 0°C

## 10. Stability and Reactivity

Thermal decomposition or burning: /or	may produce sulfur oxides, carbon monoxide and carbon dioxide.
Hazardous polymerization:	will not occur.
Avoidable conditions:	none.

## 11. Toxicological Information

Slightly toxic. Irritant to skin and eyes. References do not report illness health effects as a result of chronic overexposure. Repeated contact may cause defatting and dermatitis. Prolonged breathing of vapours may cause nausea or headache.

## 12. Ecological Information

Aquatic toxicity class: 0 (self classification)

## 13. Disposal Considerations

No hazardous substance for disposal. Disposal according to current local regulations of responsible disposal authorities.

## 14. Transport Information

No regulations for transport to our stand of knowledge. Observe point 7.2.

## 15. Regulatory Information:

No dangerous substance or compound to our stand of knowledge according to regulations of dangerous goods or the corresponding guidelines of the European Community.

## 16. Other Information:

The statements of this Safety Data Sheet correlate to our stand of knowledge and experiences at the date stated below. Flawlessness, reliableness and completeness is not warranted by the publisher.
