

MALCO[®] EPIC[™] CR2 HYDRO PROTECT CERAMIC SPRAY (1094)

DESCRIPTION

EPIC[™] CR2 Hydro Protect Ceramic Spray is an SiO₂ Ceramic spray-on formula designed to shine, protect, and beautify a vehicle. EPIC CR2 is long lasting, absorbs UV rays, adds gloss, and easily sheets water off. EPIC[™] CR2 Ceramic Spray also can be used to compliment and refresh the EPIC[™] Ceramic Coating System. EPIC[™] CR2 should be used every few months on a clean vehicle. This formula is safe for all vehicle surfaces including wheels and trim. EPIC CR2 will bond with the vehicle's clear coat to create a durable, hydrophobic surface prolonging the life and ease of cleaning for any vehicle.

DIRECTIONS

EPIC[™] CR2 requires a clean, smooth surface for proper installation. Ensure the vehicle surface is completely clean and dry. Shake the bottle well before using. Spray EPIC[™] CR2 onto one panel at a time. Distribute evenly using a clean ultra-soft microfiber towel, and buff to a smooth shiny surface. For ideal bonding results, keep the vehicle dry for at least 6 hours after completion.

FEATURES AND BENEFITS

Produces the ultimate “wet” look	Bonds with clear coat for outstanding depth of gloss
Designed to complement the EPIC [™] Ceramic Coating System	Spray-on formula simplifies application for experts and novices alike
Provides up to six months of durability	Excellent hydrophobic properties allow water and dirt to slide right off

PACKAGE SIZES

- 16 oz. Case of 6 (Part Number: 109416)
- Gallon Case of 4 (Part Number: 109401)
