

DESCRIPTION:

Dishwash Detergent is an environmentally friendly dishwashing liquid that uses biodegradable surfactants. It is a concentrated multi use detergent that is suitable for hand washing dishes and the general cleaning of food preparation work areas. **Dishwash Detergent** is easy on your budget but tough on grease & grime.

DIRECTIONS:

For general dishwashing add 5-10ml (1/2 tablespoons) per litre of warm/hot water. For extra dirty fry pans, roasting dishes, etc, rub a small amount of undiluted **Dishwash Detergent** onto affected areas, then rub with a brush or scouring type pad and wash as usual. Rinse with potable water after use.

APPLICATIONS:

Washing dishes.

PROPERTIES:

Yellow liquid with Lemon odour.

APPROVALS:

- Eco Choice Aotearoa Licenced (Detergents and Cleaning Products Licence no. 5819156)
- MPI Approved C 32 (All animal product except dairy)

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.
