

DESCRIPTION:

Texture Bumper Coating Black is a flexible textured black satin finish on rigid plastic bumpers and plastic parts. It is not to be applied over bare plastic but to be applied over an existing primer or a sound paint finish (not enamel) using a spay gun with a 1.2 – 2.0mm fluid tip at 250 – 350kPa.

DIRECTIONS:

Stir thoroughly! Existing sound paint should be sanded with P320-P400 and cleaned before and after sanding with **Pacer Prepare It**. New surfaces have to be primed with a plastic adhesion promoter. **Texture Bumper Coating Black** is ready for use but can be thinned up to 25% to 40% with **Pacer General Purpose Thinners**. Apply 2-4 wet coats allowing a flash off of 5-10 mins between coats. Drying is approx 1-3 hours air dry at 20 °C but can be considerably shortened by force drying.

APPLICATIONS:

Texture bumper paint applied through a spray gun

PROPERTIES:

Black liquid with a petroleum odour.

Available Sizes:

TC1

TC4

DANGER

- H225 Highly flammable liquid and vapour
- H304 May be fatal if swallowed and enters airways
- H312 Harmful in contact with skin
- H319 Causes serious eye irritation
- H332 Harmful if inhaled

DANGER: HIGHLY FLAMMABLE LIQUID AND VAPOUR. May be fatal if swallowed and enters airways. Over exposure may result in the following conditions: slight eye, skin and respiratory irritation, dizziness, nausea, and/or loss of consciousness. Will cause severe eye irritation. May cause irritation and blistering of skin with long-term exposure. May cause dizziness, nausea and headaches if inhaled.

SAFETY PRECAUTIONS: Keep well away from heat sparks/open flame. Keep closed when not in use. Use only non-sparking tools.

FIRST AID:

- Eye Flush thoroughly with water for at least 15 minutes. If persistent irritation occurs, obtain medical attention.
- Skin Remove contaminated clothing. Wash contact areas with soap and water. Seek medical attention if irritation persists.
- Ingestion Do not induce vomiting. Administer milk or water. Seek medical attention.
- Inhalation Remove to fresh air. If rapid recovery does not occur, obtain medical attention.

If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre. (24 hrs): 0800 POISON[764 766].

OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

DISCLAIMER
