

Pacmasta®

PACMASTA QUICKFILL WATER CART

Refilling made easy.

The Pacmasta Quickfill Water Cart is a 10 US gallon (37.9 Lt), battery powered unit that is designed to work with the GUN-X Battery Watering Gun. It is a sturdy, easy to transport cart that handles like a hand truck. The perfect companion for our BondTape BP-555e Water Activated Tape Dispensers.

DC powered from a sealed cell 12-volt battery that can be charged from any A/C outlet.

Easy to use – Turns ON when you squeeze the Watering Gun trigger. Turns OFF when the gun shuts off.

Supplied with 9 feet of hose, a sealed cell 12 Volt battery and a battery charger.
