

RAKE IN THE REVENUE.

INCREASING VERSATILITY AND PRODUCTIVITY.

EASY AS 1-2-3.

BlueBird power rakes offer increased versatility and productivity over competitive units. Each unit can be ordered with your choice of dethatching reels (flail, delta, or spring tines) to accommodate different types of turf grass. The reels are interchangeable and are also available as accessories.

Our PR22 is the widest unit on the market at 22", increasing productivity up to 22% and providing an immediate ROI advantage to contractors and rental stores. It is ideal for homeowners with larger property.
