Tripod flowtech® 100 MS

Sachtler flowtech® 100 Carbon Fibre Tripod with Mid-Level Spreader, Handle and Rubber Feet

SKU: 5585

For shoots where you need to balance quick setup, easy transport, support and stability, the Sachtler flowtech® 100 MS Carbon Fibre Tripod is a valuable addition to your gear. The unique design gives each leg individual adjustment while releasing and locking together, meaning setting up on any surface is as easy as releasing a catch. The ergonomic design makes the tripod light and comfortable to carry, no matter where your creativity takes you.

Weighing only 4.1 kg, the Sachtler flowtech100 MS can support a payload of up to 30 kg and extend to a maximum height of 155 cm. This versatility and flexibility are matched by high levels of stability so you can be sure that you'll always be able to get the shot you are looking for. When you are ready to move on, the legs all lock together with a single mechanism to save you even more time and energy.
