

## DESCRIPTION:

**Grit Hand Cleaner** is a powerful hand cleaner with a lanolin base to prevent skin from drying and cracking. Perlite beads aid the cleaning action by gently rubbing away the toughest of grease, oil, dirt, ink, paint, bitumen tar and grime.

## DIRECTIONS:

Do not wet the hands, apply **Grit Hand Cleaner** directly to the hands while massaging them together until the dirt is loosened. For stubborn and dried stains, apply a gentle scrubbing action with a nail brush. Rinse hands with water to remove dissolved dirt and hand cleaner. Replace lid after use.

## APPLICATIONS:

Workshop hand cleaner.

## PROPERTIES:

Soft green gel.

## Available Sizes:

**WARNING**

Hand Cleaning

## WARNING

H302 Harmful if swallowed

**WARNING:** May be harmful if swallowed. May irritate lining to the mouth and mucous. Moderately irritating to eyes. Not considered an irritant to skin. Prevents chafing and cracking of the skin, leaving hands soft and smooth membranes.

## FIRST AID:

Eye Flush with cold water for at least 15 minutes. Seek medical attention if problems persist.

Ingestion Do not induce vomiting. Give nothing by mouth. Seek medical attention immediately.

*If medical advice is needed have the product container/label at hand. In an emergency phone the National Poison Centre. (24 hrs): 0800 POISON[764 766].*

## OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

## ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

## DISCLAIMER

The technical data and information provided, including the recommendations for applying & using our products, is given in good faith based on our current knowledge and experience and is believed to be accurate when applied under 'normal' conditions. In practice, the materials, surfaces or conditions are so varied that no warranty regarding the working results or any liability or guarantee can be inferred either from this information nor from a verbal consultation. It is recommended that the user makes his or her own tests to determine the suitability of the product for their own requirements.
